

WORLD OF TETHYS — BRAND BIBLE (v1.0)

Brand Essence:

A living world shaped by survival, adaptation, and observation.

Brand Role:

The world speaks. The author remains unseen.

Core Doctrine:

World of Tethys documents a survival ecology where creatures, humans, and mystics adapt under shared environmental pressure.

Brand Voice:

Observational, restrained, ominous. No hype. No slang. No emojis.

Content Pillars:

Survival over morality.

Adaptation over dominance.

Observation over judgment.

Scale humbles all intelligence.

Taxonomy:

Creatures — evolutionary outcomes.

Mystics — cultural adapters.

Humans — engineers and systems.

Records — recovered artifacts.

Visual Modes:

Noir.

Pop Art.

Cinematic Realism.

High-Contrast Sticker.

World of Tethys

Expansion Rule:

The world may grow, but it never explains itself louder than it observes.
